Dear Ms Naveed

Property : 9 Bracken End, Isleworth, TW7 7PW
Our Client : Naveed Dhuka and Rina Naveed Dhuka

We are acting on behalf of your SISTER in connection with her purchase of the above property Naveed Dhuka.

We are advised that you are assisting them financially with the purchase and, in order to satisfy the lender's requirements, we require confirmation from you in writing in this regard. We are advised that the sum involved is £6350.38 and that this is a gift. If this is not correct please let me know immediately.

We enclose a letter for you to sign and return.

We will arrange for an online Source of Funds/Source of Wealth Report to be sent to you from a company called Armalytix. We attach a guide explaining the process and a link to a video on how to prepare a report and why it is secure ([video](#)). If you do not wish to use the online "open banking" report via Armalytix, please provide the following:-

1. A copy of your bank/building society statement showing the funds held in an account in your name.
2. Confirmation of how the funds have been obtained, to be written in the space provided on the final page of this letter. This might be from taking a further charge on your own property, an inheritance, investments or savings over a period of time. We will also need to see documentary evidence showing how you obtained/accrued the funds. We appreciate that this may seem intrusive but we are required to obtain this information, in order to comply with current Law Society guidance in relation to money laundering.

Please also provide:-

3. Evidence of your identity, being a copy of your current passport or photocard driving licence (certified (as a true copy of the original document and a true likeness of you) by a solicitor or person of a professional standing (you can attend our office to do this) and proof of your address (a copy of a utility bill not more than three months old). If you are unable to do this, you are able to use an app called Armalytix to carry out the ID check. Please find attached user guide. If you would like to use this app, please confirm. We will require your email address to carry out the check.

We are not able to advise you of the implications of making this gift and therefore we must advise you to seek independent legal advice. Please sign the declaration on the duplicate of this letter to indicate that you understand the implication of making this gift and confirming whether you have chosen to take independent legal advice.

Yours faithfully

- At the time of the gift I was not aware of any circumstance which could lead to bankruptcy proceedings being taken against me or of any pending proceedings against me which might lead to an act of bankruptcy
- Where the money has come from any accounts and/or assets which are jointly owned, the sum is coming only from my share of the value of the account or assets and the gift is being made with the full consent of the joint owner of the said accounts and/or assets
