This is Not a bill Your acct will be drafted Si Environmental, LLC www.sienv.com 832-490-1600 Customer Care 832-490-1601 24/7 Emergency 1-877-382-7414 Toll Free 855-212-3987 Payments	Be sure to shut off your sprinkler system during the winter months to conserve water and prevent damage if temperatures drop below freezing. If your system has a main shut-off valve, you can also turn off the water supply there. Wrap exposed pipe with insulation to prevent a cracked or busted valve. -Sign up for District alerts at http://districtdirectory.org/fort-bend-county/fort-bend-county-municipal-utility-district-no-134e/ -Text MUD134E to 346-245-8281 to receive important news and updates from Fort Bend County Municipal Utility District No. 134E via text messages.

Water Leak Checklist

Do you suspect a leak? If so, do the following:

- 1) Turn off all water inside and outside your home.
- 2) Go outside to your meter box and open the cover.
- 3) Locate the black or red triangular-shaped Leak Detector on the left beside the numbers.
- 4) If the Leak Detector is not moving, you do not have a leak and no water is passing thru the meter.
- 5) If the Leak Detector is moving, you do have a leak. Water leaks on the homeowner's side of the meter are the homeowner's responsibility to repair.
- 6) If there is water in the meter box, be sure it is not run-off water from sprinklers or rainfall before calling.
- 7) If you are certain it is a leak outside of your home, please call Service Problems Phone Number listed on the front of this statement.

WATER IS PRECIOUS, USE IT BUT DON'T WASTE IT!

The water meter at your service address is owned by the District and is installed to measure the amount of water you use each month.

Please make any correction of address on the return portion of your bill.
